TITLE:

Corruption Whistleblower Reporting System

Subtitle:

AI-Powered Anonymous Reporting Platform

Title: The Problem

- Rampant corruption across sectors
- Citizens fear retaliation when reporting
- Lack of anonymous + trustworthy platforms

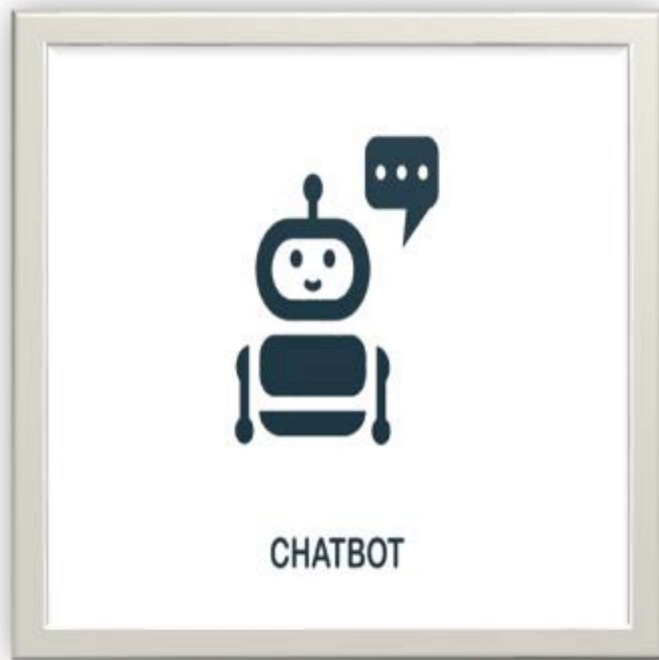

Title: The Solution

- A secure, anonymous platform to report corruption

- Encryption for data safety
- AI agent for guided complaint filing

Title: AI Assistant – The Core Agent

- Guides users in filing complaints
- Understands language & urgency
- Classifies complaint type
- Enables communication via encrypted chat

CHATBOT

Title: Platform Features

- Anonymous submission with proof
- Tracking via Case ID
- End-to-end encrypted chat with investigators
- Role-based admin panel
